**Total Sellers..... 157**

**Feeder Calf Buyers..... 16**

**Compared to last week: feeder steer and heifer class averages weighing from 400 lbs and down Ended \$2 to \$4 higher while the heavier class averages ended mostly \$2 to \$3 lower Slaughter cows showed \$2 stronger while the slaughter bulls ended fully \$5 higher Buyer interest remains positive with interest on all weight classes of feeder calves**

**The market demand today was still good although it appeared the buyers were more selective in their Purchasing. Future prices closed mostly down as market traders are still somewhat hesitant due to the Continuing abnormal dry conditions in the grazing country**
