Compared to last week: all weight class averages of both feeder steers and heifers ended mostly steady on the front-end classes but \$4 to \$5 weaker on the plainer classes  
 Slaughter cows were off \$2 while the slaughter bulls ended firm  
 Buyer activity today was again good with emphasis mostly on the feeder calf quality  
 Monday's weakened board closing was again reflected in today's closing as the markets showed a lack of direction in anticipation of Tuesday's elections results
