Total Sellers.....262

Feeder Calf Companies.....31

Feeder Calf Buyers.....18

Compared to last week: all weight class averages of both feeder steers and heifers ended fully \$1 To \$3 lower

Slaughter cows and slaughter bulls both ended \$1 to \$2 higher

Today's large cow run continues to give proof the producers are still culling their cow herds

The market demand for feeder calves continues to remain good but the spread between good

And poor quality continues to widen in prices
