Total Sellers.....133

Feeder Calf Companies.....26

Feeder Calf Buyers.....14

Compared to last week; feeder steer averages finished from \$1 to \$3 higher while the heifer class averages finished mostly uneven to \$2 lower

Slaughter cows and slaughter bulls ended mostly \$2 higher

Buyer interest and demand continue to remain strong especially on the front-end classes of feeder Calves

As the northern feedlots and grazing fields continue to dry out along with the export market showing increased volume, packers are expected to raise their bids this week which is helping to fuel buyer interest
