****These figures are reported solely on East Texas Livestock's market ****

Total Sellers.....176

Feeder Calf Companies.....30

Feeder Calf Buyers.....17

Compared to last week: All weight class averages of feeder steers and heifers ended from \$5 to \$7 lower. Slaughter cows and slaughter bulls managed to remain steady with last week's figures.

The market still continues to remain under pressure as marketing numbers are beginning to swell resulting in the market moving from a seller's market to a buyers's market.

Live cattle and feeder cattle contracts also continue to remain soft as traders look for consistency
