With no market comparison from last week due to the market shutdown because of bad weather conditions, the market comparison from 2 weeks ago showed today's figures ended fully \$2 to \$4 higher on all class weight averages.

Slaughter cows finished mostly firm with the slaughter bulls trending \$4 higher. A strengthened beef demand both overseas and domestically along with the Covid vaccination in full swing continues to send a wave of new found optimism in the beef complex.

**NEXT WEEK WILL BE OUR JANUARY WEANED CALF SALE IN CONJUNCTION WITH OUR REGULAR SALE.**
