Total Sellers.....177

Total Buyers.....39

Total Feeder Calf Buyers.....20

With no market comparison the past two weeks due to the Christmas break, today's market figures finished strong with feeder buyers showing an aggressive approach in replenishing the feeder calve pipeline.

Optimism for a good beef demand plus higher prices along with sound market fundamentals helped fueled today's prices.

Slaughter figures also opened higher as the packers are also replenishing their inventory after the holiday kill.
