Weekly Summary

Compared to last week's closing price averages, all feeder steers and heifers weight class average prices ended fully \$5 to \$7 higher. The slaughter cow figures continued under pressure and weakened by about \$4. Slaughter bulls remain firm with last week's prices.

It appears the feeder buyers are turning their backs on a roller coaster feeder board and are going with their gut feelings about securing inventory for the wheat grazing country.

**THERE WILL BE NO SALE NEXT TUESDAY DUE TO THE THANKSGIVING HOLIDAYS
