Weekly Summary

Compared to last week's market, all class price averages of both feeder steers and heifers weighing 400 lbs and down ended fully steady with last week while those classes over 400 lbs finished fully \$5 to \$7 higher. Slaughter cows and bulls trended about \$2 weaker, but the demand remains very strong.

The board has posted several days of strong closings and it appears the market demand is recharging and trying to regain its composure after the recent bearish undertone due to the recent bird flu scare.

NEXT WEEK: 40 crossbred pairs ages 3 and 4 years (all one raising)

50 crossbred pairs ages 4 to 7 years. (all one raising)
