\$2.10 to \$2.72

Some lower quality and hard-to-place cattle fall below these figures.

Total Sellers: 220

Order Buyers: 20

Packer Buyers: 7

Weekly Summary

Compared to last week, all classes of feeder steers and heifers price averages ended fully \$3 to \$4 softer with some of the plainer classes \$5 to \$8 lower. The overall averages were affected by a showing of plainer quality, but the front-end feeders still are commanding good figures. Slaughter cows and bulls remained firm with last week.

Heading into August the feeder market remains in excellent shape with the demand strong.
