Weekly Summary

Compared to last week's market, all classes of feeder steers and heifers price class averages ended fully \$5 to \$11 higher. Slaughter buyers however softened their demand as the seasonal demand for turkey and chicken stepped out front.

Excellent rains again swept across the wheat country solidifying a solid demand for the grazing cattle as we head into the final month of availability of feeder calves.

THERE WILL NOT BE A SALE NEXT TUESDAY, NOV.26TH DUE TO THANKSGIVING HOLIDAYS
