### Weekly Summary

Compared to last week's market, the average prices of all classes of feeder steers and heifers weighing 600 lbs and down ended fully \$3 to \$5 higher while those classes over 600 lbs weakened by about \$4. The slaughter cows also trended lower by \$5 while the slaughter bulls finished \$5 stronger than last week's closing figures.

Today's feeder demand was strengthened by an extremely healthy board closing as buyer interest, demand and activity were very bullish on all classes.
