### Weekly Summary

Compared to last week's market, the average prices of all classes of feeder steers and heifers from 500 lbs and down ended fully \$3 to \$5 higher while the heavier classes finished uneven to \$3 lower. Both slaughter cows and slaughter bulls remained firm.

After last week's confirmed finding of several NWS in South Texas, it appeared the board traders decided to "sell the rumor and buy the fact." The futures markets rallied against this negative news and has witnessed over a \$11 run up on the futures. No doubt this fueled today's buyer aggression.

**NEXT WEEK WE WILL BE SELLING 30 HEAD OF 5-7 YEAR OLD COWS BRED TO CHARLOIS BULLS**
